“Traveling it leaves you speechless & turns you into a storyteller.” Spending a holiday in Nepal can be one of the best ways to enjoy your vacation and explore the mystical lands of Nepal where vibrant wildlife and ecosystem thrive immensely. From the plains of Terai to the snowy Himalayas, everything seems to perfectly blend together to create a place for tourists and travelers to get lost in. Among many other fun adventures, Bird Watching is something that’s unique and totally astonishing as travelers never know what they will encounter during their trip. Starting from Kathmandu, we move on to Godavari Botanical Garden where you can witness some exotic looking plants and birds. Next, we hike towards Phulchoki Hill and enjoy the entire day by doing some bird watching activity. You can even visit the Nagarjuna Forest and Shivapuri Wildlife Reserve on day five. Last, of all, we take a long drive to the southern belt of Nepal and enter the popular Chitwan National Park & Koshi Tappu Wildlife Reserve. In this way, you will be visiting the top favorite bird watching destinations of Nepal and enjoy traveling in a lush green environment. Additionally, anyone with a niche for bird watching and traveling can join this trip as there are no hard-challenging days to go through.
